## INDEX TO VOL. 1, Nos. 1-4 APRIL 1908 TO JAN. 1909

The first three volumes of the Journal of the Illinois State Historical Society were not consecutively paged; each separate number or issue of each volume beginning with page number one. It is therefore necessary in this index to treat each number or part of each volume as a separate volume or book, and indicate the volume number as well as the page number for each item.

In volume one, numbers two and three were published as one number. For example: in this index, 2, Nos. 2-3 means page 2 of number 2-3, Vol. one; 2 No. 4, means page 2, number 4, volume one.
